WHO IS NEXT LEVEL KIDZ

Our vision is to provide supplemental enrichment education, in a hands-on learning environment, which will allow kids to go to the Next Level in their area of passion, giving them a competitive edge for the future. We strive to make a significant and positive impact on families and schools in communities across our region by providing quality programming and community outreach.

Mission - How Do We Do It?

Next Level Kidz is passionate about improving the lives of students and parents in our community. We do this by engaging students in Sports and supplemental Science, Technology, Engineering, Art and Math (STEAM) education classes, after-school childcare and summer camps in a safe environment led by qualified teachers and instructors.

WELCOME TO CAMP

Welcome to the fifth year of Next Level Kidz Summer Camps!

If you have been looking for a full day of camp with quality instruction, filled with fun and friends, then look no further.

Each week, Next Level Kidz will offer three specialty camp options for campers to choose from. These camps will provide a general overview and introduction into that STEAM or Sports activity. This is a great opportunity for your camper to explore a new area of interest, while having fun with their friends!

Each day, campers will participate in their STEAM or Sports Specialty Camp instruction from 9am-12pm*. For the remainder of the afternoon (12-4pm)*, campers will be split into groups by age and will enjoy traditional camp activities, such as field games, arts & crafts, group competitions, etc.

*Before and After Care are available each day from 7:30am-9am and 4-6pm, for an additional charge.

Next Level[®]
KIDZ
— STEAM & SPORTS —

REGISTRATION AND PAYMENT

Registration for all camps can be done online at FortMill.NextLevelKidz.com. If you are logging onto the website for the first time, you will need to set up a new account to access the parent portal. If you already have an account with Next Level Kidz, you can register by logging onto your parent portal at the same web address listed above.

All camps require a \$50 non-refundable deposit at the time of registration per week of camp, per child. Payment must be made by credit card. If you need to use another form of payment, please email info@nextlevelkidz.com.

Full, online payment for each week of camp is due two Fridays prior to the start of the camp week for which your child(ren) is registered. Failure to submit payment will result in your child being removed from their week of camp.

Any transfers between camps done at least two weeks prior to the camp start date will be allowed, pending camp availability. The \$50 deposit will transfer to the new camp. Transfers done less than two weeks in advance will lose their \$50 deposit per week, per child.

All camps have a \$50 non-refundable deposit per week, per child. Cancellations made less than 14 days prior will be responsible for the full camp payment.

WHAT TO BRING

Campers enrolled in a Sports Specialty Camp will spend the majority of their day in outdoor activities.

- Must apply sunscreen prior to camp
- Bring a reusable water bottle
- Wear sports cleats (metal cleats are not allowed)
- Bring a pair of tennis shoes for afternoon activities
- Wear light clothing and a baseball cap (optional)
- See each sport camp for additional equipment needed, if any

Campers enrolled in a STEAM Specialty Camp will spend their day evenly between indoor and outdoor activities.

- Bring a reusable water bottle
- Wear light clothing, close-toed shoes and a baseball cap (optional)

Ensure all belongings are marked with the camper's name. Campers are not allowed to bring electronics to camp.

BRIGHTWHEEL

In order to provide a safe check in/out experience, provide our staff with access to emergency information and to communicate with parents, we have partnered with Brightwheel.

Upon registration, you will be sent an email by Brightwheel where you will be able to complete your family's profile prior to your child's first day of camp. Clicking the link inside this email will prompt you to create an account and add all of your important information such as emergency contacts, allergies, medications, authorized pick-ups, and more.

Once completed, you can also access your account via the Brightwheel app on your Android or iPhone. You will also receive a 4-Digit pin on your mobile device in the app. This 4-Digit pin will be used to check your child in and out of camp programming.

GET IN CONTACT

ART & 3D PRINTING CAMP

Our fun & enriching art camp will educate, inspire & entertain your creative young artists! Variety is the spice of life so this camp will offer a wide range of project topics and supplies that will spark their creativity & expose them to a stimulating mix of age-appropriate art techniques.

Campers will be guided by our staff in completing various painting and 3D Modeling creations each day. Campers will also be exposed to TinkerCAD and 3D Modeling software, ending the week with 3D Printing their very own creations!

Jun 24 - Jun 28
Jul 15 - Jul 19

*Ages 6 - 13

BASKETBALL CAMP

They shoot, they score! Basketball players of all ages will work on dribbling, passing and scoring in this fun sports training camp for beginners. Games and drills will keep your athlete excited all week as they learn about one of our country's most popular sports.

Jul 1 - Jul 5

*Ages 9 - 13

BASEBALL CAMP

Baseball camp takes the rich history of the game from Cooperstown to your town. Our progressive curriculum teaches the fundamentals of fielding, catching, throwing, hitting and base running in a fun, positive environment by our elite coaches.

All athletes, regardless of skill level, will learn new baseball skills along with vital life lessons such as respect, teamwork and responsibility. All participants will come away with new friends, new skills and a love for the game!

Additional Equipment Needed: Cleats, Glove and Helmet/Bat (if available)

Jun 24 - Jun 28
Jul 22 - Jul 26

*Ages 6 - 13

CHEERLEADING CAMP

Every day is filled with cheer, chants, and challenges! Cheerleading camp is designed for young cheer enthusiasts to learn the fundamentals of cheerleading, including basic routines, chants, and stunts, in a safe and supportive environment.

Jun 10 - Jun 14
Jul 15 - Jul 19

NEW CAMP!

Next Level[®]
KIDZ
— STEAM & SPORTS —

ESPORTS CAMP

In this eSports camp, you will have fun with friends playing video games but it will also prepare you to enter into local competitions where you can test your skill and compete for prizes.

Playing on an eSports team helps students gain confidence, learn how to strategize and understand logic. As eSports grows and high schools create teams, this will give you a foundation to build on to make the High School team.

Jun 10 - Jun 14

Jul 1 - Jul 5

Jul 15 - 19

*Ages 9 - 13

MESSY SCIENCE CAMP

Calling all future scientists! This camp will create messy and interesting experiments. Your child will have fun with hands-on programming, while learning about the wonderful world of science. Warning: campers may get messy, please wear appropriate clothing.

Jun 3 - Jun 7

Jul 1 - Jul 5

Jul 22 - Jul 26

*Ages 6 - 13

FLAG FOOTBALL CAMP

Football camp is the perfect program for your young athletes who want a complete introduction to America's Game or for those who simply want to brush up on their skills in preparation for league play.

Through our 'skill of the day' campers will learn skills on both sides of the ball including the core components of passing, catching, and de-flagging or defensive positioning - all presented in a fun & positive environment. Speed & Agility conditioning will also be a component of this camp, to educate your athlete on how to improve their overall stamina.

Additional Equipment Needed:

Mouthguard and Cleats

Jun 10 - Jun 14

Jul 15 - Jul 19

*Ages 6 - 13

MINECRAFT CODING CAMP

Learn to Code with Minecraft! Discover the fundamentals of coding in the most fun way possible. This camp introduces basic programming concepts by using Minecraft as a learning tool. Campers will create their own Minecraft Mods with Java programming. Coding challenges and Minecraft missions encourage problem-solving, logical thinking, and creativity.

Jun 17 - Jun 21

*Ages 9 - 13
